

## THE DEAN OF CLUBS

Founded in 1898, we are one of the oldest clubs in America and Dean of all clubs in this region. For over a century, we have enjoyed and preserved a position of eminence in sports facilities - most notably golf, tennis, platform tennis, skeet shooting, swimming and a clubhouse with a grandeur and fitting amenities few anyone can match.

## GOLF

The Youngstown Country Club 18-hole golf course, built and designed in 1911 by Walter J. Travis, then upgraded in 1921 by Donald Ross, is demanding but fair. Contoured fairways with subtle undulations, heavy but well-cropped roughs of blue grass, strategically placed bunkers, a meandering creek and growing tree lines that come into play make every round a challenge for golfers at every level. At times the Club has hosted the Ohio

Open Championship, Western Open, Women's Ohio Amateur Championship, an LPGA Open Qualifier and a Men's U.S. Open Qualifier. Our golf professional is PGA-qualified and can assist you with private, group or Jr. golf lessons. Golf leagues (men's, women's or mixed), Jr. leagues and golf outings available.

## CLUBHOUSE

The clubhouse facilities include a beautiful Ball Room for banquet affairs, a warm and friendly Cocktail Lounge called the Club Room, the East Lounge for small receptions, a Formal Dining Room and a Grill Room. Described as "a room with a view," the Terrace Room for casual dining faces the practice putting green and the 1st and 10th tees. It is flanked by two patios, one for dining al fresco.

## PRO SHOP

Upscale Pro Shop offering a full line of premier merchandise with the best names in golf equipment, apparel and accessories.

## SWIMMING

A pool & baby pool is a popular spot for members summer fun, pool-side parties or just relaxing in the sun. On-staff swim coach, swimming lessons and junior swim competitions are also available.

## TENNIS

Four lighted courts, summer programs and special instructions for children.

## SKEET RANGE

Two skeet fields with a rustic lodge provide fun all year round.

## PLATFORM TENNIS

Two heated and lit courts with a warming hut to provide extra seasonal playing time.
